No.2018/H/4/1/Drug/ Vigilance — New Delhi, Dated-31.10.2018

Principal Chief Medical Directors,
All Indian Railways,

Chief Medical Officers,
All Production Units Including RDSO.

Sub:- Printing of Drug Standards on strips or preparation by manufacturers to comply with IP/USP/BP/Euro/ Pharamcopoeia Standards - regarding.

****

Guidelines issued for registration of firms provide that all the products to be supplied by manufacturers / suppliers must comply with the IP/USP/BP/ Euro/ Pharmacopoeia standards. However, an instance has come to the notice of the Board that in one of the zone a supplier supplied pharmaceutical products that does not bear the drug standards i.e. IP/USP BP/ Euro/ Pharmacopoeia on the strips. This is clear violation of the provisions of registration of firms over Indian Railways under Drug Procurement Policy – 2014.

All Zones' PCs are, therefore, requested to ensure that only those products are accepted in the Stores/ Hospitals that bear the drug standards on the strips or preparation being supplied by the firms. An undertaking for the same and also about the testing protocol should be obtained.

This issues with the approval of Director General/ RHS.
