CORRIGENDUM

Sub:- Treatment of Railway medical beneficiaries at Tata Memorial Centre Mumbai—Reg.

Ref:- This office letter of even number dated 27.04.2018.

*****

Vide this office letter cited under reference, decision of Competent Authority in the Ministry of Railways was conveyed to the zones that the proposals for sanction of advance in favour of Tata Memorial Centre Mumbai in cases of Railway medical beneficiaries from all zones who have initially been referred to TMH/Mumbai by Central/Western Railway and have been recommended Bone Marrow Transplant (BMT) by TMH/Mumbai, will be processed and advance sanctioned with the approval of Competent Authorities of Central/Western Railways through whom the patient has been referred to the hospital.

2. In this regard, the competent authority has now decided that the under-mentioned portion of the letter cited above shall be treated as deleted:-

"~~Prior~~ before sanction of medical advance, an undertaking may be obtained from railway medical beneficiary to the effect that charges incurred on treatment beyond the prescribed financial limit for BMT procedure will be borne by him/her and no reimbursement claim to the effect will be preferred."

3. It has also been decided that in case the sanction of advance amount for BMT at TMH/Mumbai exceeds the financial limit contained in PGI, Chandigarh's letter dated 11.05.2016 (copy enclosed) or subsequent instructions on the subject of BMT issued by CGHS and the treatment amount exceeds the sanctioning power with the GMs in terms of letter dated 27.04.2018, post-facto approval of Board may be sought.

Other provision in the letter cited under reference will remain same.

This issues with the approval of Finance Directorate in the Ministry of Railways.

Subject: Cost of Hematopoietic Stem cell Transplant at PGIMER, Chandigarh.

Sir/Madam,

Following is the approximate cost (in INR) incurred in hematopoietic stem cell transplant procedures being carried out PGIMER, Chandigarh. The cost varies depending upon the type of transplant as well as type of donor for stem cells.

1. **Allogeneic stem cell transplant from:**

a) Matched sibling/ related donor	12-14 Lakhs.
b) Unrelated donor (from Indian Registry)	20-22 Lakhs.
c) Unrelated donor (from foreign Registry)	28-30 Lakhs.

2. **Autologous stem cell transplant:**

a) Lymphoma	7-8 Lakhs.
b) Multiple Mycloma	5 Lakhs.

Kindly note that the cost may increase or decrease depending upon the management of unforeseen complications. The cost estimate provided here would be valid for next two years and is subject to revision every two years. The cheque should be issued in the favor of DIRECTOR, PGIMER, Chandigarh.
