Sub:- Foundation Course in respect of candidates issued offer of appointment as Assistant Divisional Medical Officers (ADMOs) Probationers on the basis of Combined Medical Services Examination (CMSE) -2018 etc – joining after extension in joining time – regarding.

Ref:- (i) NAIR's letter No. NAIR/PHM/CTM/2020 dated 07.01.2020
(ii) This office letter of even number dated 22.11.2019

******

Please refer to NAIR's letter under reference (i) above intimating schedule of Foundation Course. Accordingly, certain candidates allotted to Indian Railway Health Service (Probationers) (erstwhile IRMS) were granted extension in joining time in terms of instructions contained in Department of Personnel & Training (DoP&T)'s O.M. No. 35015/2/93-Estt.(D) dated 09.08.1995 (http://documents.doptcirculars.nic.in/D2/D02est/35015_2_93_Estt.(D).pdf). Details of candidates granted extension in joining time etc. may be perused at http://www.indianrailways.gov.in/railwayboard/uploads/directorate/mgt_ser/Indian_Medical_Services/Joining%20and%20extension%20st_99_Candidates.pdf. Offer of appointment of these candidates would automatically lapse on 21.05.2020 (21st May 2020) in terms of DoP&T's above OM.

2. It is noted that due to on-going nationwide lockdown to contain the outbreak of Novel Coronavirus-2019 pandemic, Foundation Programmes for Group 'A' have reportedly been postponed by NAIR until further instructions. Besides, there are no instructions at present from DoP&T to extend the validity of offer of appointment of such candidates. As such, the candidates whose offer would lapse cannot be directed, at present, to report to NAIR for joining formalities in person before 21.05.2020. In order to avoid offer of appointment of such candidates from lapsing automatically in terms of DoP&T's OM dated 09.08.1995, an alternative arrangement needs to be put in place.

3. To avoid offer of appointment of above candidates from lapsing automatically on 21.05.2020, it has been decided by Board that NAIR may direct these candidates for Field Training. This process would be similar to the process that was followed by NAIR in case of the candidates who reported to NAIR after availing EOL (concept of EOL since withdrawn from CMSE-2018 onwards) and on reporting to NAIR for joining were referred to Field Training at various Zonal Railways in absence of a schedule of Foundation Course. It is understood that some candidates were also directed to join Field Training at Railway Hospitals after submission/verification of necessary documents on line.

4. Based on the willingness expressed by the candidates to join service, 11 candidates as in list enclosed, are to be directed for field training. Their current locations have been ascertained telephonically. NAIR may direct these candidates to report for Field Training to a Railway Hospital nearest to their locations after due process of completion of joining formalities (through online mode etc.). Terms and Conditions along with offer of appointment in respect of CMSE-2018 candidates are available on the official website of Indian Railways (http://www.indianrailways.gov.in/railwayboard/uploads/directorate/mgt_ser/Indian_Medical_Services/IRMS_301019.pdf
&
http://www.indianrailways.gov.in/railwayboard/uploads/directorate/mgt_ser/Indian_Medical_Services/Joining%20and%20extension%20st_99_Candidates.pdf). Submission/verification of necessary documents may be completed by 18.05.2020,

to the extent possible online, so as to **enable these candidates to report to the Railway Hospitals in person before 21.05.2020**. **In this regard, date of joining service in respect of these candidates shall be the date of reporting in person for Field Training**. Offer of appointment of candidates who after submission/verification of documents do not report for Field Training at the Railway Hospital as advised by NAIR shall lapse automatically in terms of DoP&T's OM cited above. A Nodal Officer may please be nominated to liaise with respective Railway Hospitals & the candidates so as to ensure smooth joining of candidates for Field Training. Details of the Nodal Officer so nominated alongwith copies of directions issued to candidates for Field Training may be sent to the undersigned also for information/record.

5. This is a temporary measure only due to extra ordinary conditions arising on account of COVID-19 pandemic to facilitate joining of candidates and to avoid their offer of appointments lapsing automatically. It is further advised that this Field Training at the Railway Hospital nearest to the location of the candidate shall be part of their Foundation Course and would in no way be treated as the Zonal Allocation of the candidate. Zonal Allocation shall be finalized as per procedure only after the candidate has completed the Foundation Course.

This issues with approval of Board (MS).
