Sub:- Revival of offer of appointment - Recruitment of Assistant Divisional Medical Officers (Group 'A') on Indian Railways on the basis of Combined Medical Services Examination, 2015 & 2016.

******

Consequent upon selection through Combined Medical Service Examination, offer of appointment vide Board's letter Nos. 2016/E(GR)II/7/4 dated 15.09.2016, 2017/E(GR)II/7/2 dated 28.09.2017 and 15.11.2017 for the post of Assistant Divisional Medical Officer, were issued to the candidates whose medical status and candidature were clear. However, four candidates as mentioned in Annexure-I failed to join within the stipulated time, and sought extension in joining time on grounds of pursuing Post Graduation studies. The candidates were granted extension in joining time in terms of instructions contained in Department of Personnel & Training (DoP&T)'s O.M. No. 35015/2/93-Estt.(D) dated 09.08.1995 (http://documents.doptcirculars.nic.in/D2/D02est/35015_2_93_Estt.(D).pdf).

2. Subsequent to completion of Post-Graduation, their request for revival of offer of appointment as Assistant Divisional Medical Officer has been examined in consultation with the Union Public Service Commission. Commission has agreed to their request for revival of offer of appointment subject to the conditions that they will accept the seniority as per rules in force and serve any Zonal Railway/PU.

3. Due to on-going nationwide lockdown to contain the outbreak of Novel Coronavirus-2019 pandemic, Foundation Programmes for Group 'A' have been postponed by NAIR until further instructions. Therefore, these candidates cannot be directed, at present, to report to NAIR for joining formalities in person.

4. Accordingly, it has been decided by Board that NAIR may direct these candidates for Field Training. This process would be similar to the process that was followed by NAIR in case of the candidates who reported to NAIR after availing EOL (concept of EOL since withdrawn from CMSE-2018 onwards) and on reporting to NAIR for joining were referred to Field Training at various Zonal Railways in absence of a schedule of Foundation Course. It is understood that some candidates were also directed to join Field Training at Railway Hospitals after submission/verification of necessary documents on line.

5. Based on the willingness expressed received from the candidates to join service, 04 candidates (listed in Annexure I), are to be directed for field training. Their current locations have been ascertained telephonically. NAIR may direct these candidates to report for Field Training to a Railway Hospital nearest to their locations after due process of completion of submission of documents relating to joining formalities (through online mode etc.). Terms and Conditions along with offer of appointment in respect of candidates joining through revival mode, are available on the official website of Indian Railways : http://www.indianrailways.gov.in/railwayboard/uploads/directorate/mgt_ser/Indian_Medical_Services/IRMS_301019.pdf Submission / verification of necessary documents may be

completed by 18.05.2020, to the extent possible online, so as to **enable these candidates to report to the Railway Hospitals in person before 21.05.2020**. **In this regard, date of joining service in respect of these candidates shall be the date of reporting in person for Field Training**. Offer of appointment of candidates who after submission/verification of documents do not report for Field Training at the Railway Hospital as advised by NAIR shall lapse automatically in terms of DoP&T's OM cited above. A Nodal Officer may please be nominated to liaise with respective Railway Hospitals & the candidates so as to ensure smooth joining of candidates for Field Training. Details of the Nodal Officer so nominated alongwith copies of directions issued to candidates for Field Training may be sent to the undersigned also for information/record.

6. This is a temporary measure only due to extra ordinary conditions arising on account of COVID-19 pandemic to facilitate joining of candidates and to meet the requirements of Doctors. It is further advised that this Field Training at the Railway Hospital nearest to the location of the candidate shall be part of their Foundation Course and would in no way be treated as the Zonal Allocation of the candidate. Zonal Allocation shall be finalized as per procedure only after the candidate has completed the Foundation Course.

7. The candidature of Dr. Nelofar Islam (S.No. 4) is "**Conditional**". Original MBBS degree alongwith other documents of Dr. Nelofar Islam may be verified by NAIR before allowing her to join FT.
