(ii) Railway Board's letter No. 2019/E(GR)II/9/2 dt. 20.12.2019

The undersigned is directed to refer to your letter dated 03.02.2020 requesting for further extension in joining time in continuation of three (03) month's extension already granted to you vide Board's letter of even number dated 20.12.2019 as per your earlier request.

2. Vide your above letter you have intimated that you are in process of taking admission in Post Graduation course and, therefore, need further extension in joining time.

3. This is to inform you that as per DoP&T's OM No. 35015/2/93-Estt(D) dated 09.08.1995 your offer of appointment will automatically lapse on expiry of six months from the date (i.e. 22.11.2019) of Original offer of appointment. However, the same can be revived later by UPSC only on grounds of pursuing a PG course. As per UPSC's extant revival policy, if a candidate is granted extension in joining time for pursuing Post Graduation, he/she needs to complete his/her PG well within three (03) years from the date of offer of appointment and immediately on completion of PG, make a request for revival of offer alongwith a copy of the Provisional PG degree. Since, you are yet to take admission in PG, it is unlikely that you will be able to complete PG within three years from the date of offer of appointment i.e. 22.11.2019. Therefore, your case shall not be covered by the guidelines of UPSC for revival of offer. However, if you are interested to join as ADMO on the basis of CMSE - 2018, you may express your willingness immediately to join the next batch of Foundation Course at NAIR, Vadodara scheduled to commence from 18th May, 2020 failing which no further correspondence will be entertained in the matter.

Dear Sir/Madam,

The undersigned is directed to refer to your letter dated 06.12.2019 requesting for extension in joining time upto September, 2022 for completing your Super-specialty degree (M.Ch. Neuro-Surgery). Your request has been examined in this Ministry. The extant revival policy of Union Public Service Commission prescribes that the time gap between the date of offer of appointment and the date of revival of offer of appointment must not exceed two and a half years which may be relaxed upto three years only if the candidate is pursuing Post Graduation.

2. You were issued offer of appointment on 22.11.2019 and your 03 year Super-specialty course will get completed in September, 2022. The Competent Authority has decided that your request for extension in joining time is **not** feasible of acceptance as the same (i.e. revival on grounds of pursuing a super specialty degree) is not covered under the guidelines of UPSC.

3. However, you are also informed that if you are interested to join as ADMO in Indian Railways, you may choose to discontinue your Super-specialty Course immediately and express in writing your willingness to join the next batch of Foundation course within a period of one month from the date of issue of this letter, failing which it will be presumed that you are not interested to join as ADMO in Indian Railways. Further please note that in terms of extant instructions contained in DoP&T's OM No. 35015/2/93-Estt (D) dated 09.08.1995 an offer of appointment would automatically lapse after expiry of six months from the date of issue of the original offer of appointment.
