No. E(MPP)2016/1/35 New Delhi, Dated : 20.06.2016

The General Managers,
All Zonal Railways.

Sub:- Creation of Posts of Gatemen for elimination of Unmanned Level Crossing (UMLCs) on Broad Gauge (BG).

Elimination of Unmanned Level Crossings on Broad Gauge (BG) is being done regularly either through manning or by other means like over bridges, limited height subways etc.

Manning of new gates entails additional requirement of Gateman. Therefore, creation of posts of Gatemen by way of utilizing money value available in the vacancy bank with Zonal Railways and identifying pockets of redundancies from where vacant posts can be surrendered and utilized as matching surrender on 1:1 basis, should be carried out on a continuous basis, and posts should be created by Zonal Railways themselves.

This has the approval of Board (MS).
