"The position has since been reviewed. It is clarified that annual fresh recruitment should be limited to 1% as a whole for the entire group of departments, viz. Civil, Mechanical, Electrical, S&T, Transportation and Commercial Departments put together as a whole. Within this group of departments, the numbers to be inducted for each department is to be decided by the DRM for his Division or the General Manager for his Zone, depending upon the ground position obtaining in that Division/Zonal Railway for each of those departments in respect to workload, yard-sticks, surpluses, etc.

For all other remaining departments, for which the percentage of annual intake up to a maximum of 0.5% per annum has been permitted, the limit shall be for this group of departments as a whole and not for individual departments. The intake for individual department shall be decided by the DRM/GM taking into account the ground position on that Division/Zonal Railway as brought out above."

may be read as under:

As regards attrition due to death, medically incapacitated, since compassionate ground appointment is generally given on 1:1 basis, in such cases they need not be counted as part of the normal attrition for calculation of 1/3rd for which recruitment is permitted as above.

All other terms and conditions of the above quoted letter remain the same.
