7. **Holding of examination.**—A competitive examination for appointment to the Service shall be held at such times and places as may be prescribed in the notice issued by the Commission for the purpose. Every such notice shall, as far as possible, specify the number of vacancies to be filled on the results of the examination.

NOTE.—Unless a candidate is covered by any of the specified exceptions notified by the Government from time to time, he shall not be permitted to compete more than two times at the examination.

8. **Combined examination.**—If the examination held under this Part is a combined examination for the purpose of making appointments to more than one of the Services or Departments, the following provisions shall apply, namely:—

(a) Any person may apply to be admitted as a candidate for appointment in all or any of the Services or Departments for which he is eligible. If he wishes to be considered for appointment in more than one of the Services or Departments, he shall state in his application form the name of the services or Departments for which he wishes to be considered, and the order of his preference for them, and in such cases, only one application form shall be necessary, and one payment of the fees referred to in rule 15 shall be sufficient.

(b) The Government shall assign successful candidates to each Service or Department on a consideration of all circumstances including any personal preference expressed by the candidate.

9. **Applications for appointment.**—A candidate must apply to be admitted to the examination before such date, in such manner, and in such form as the Commission may prescribe.

10. **Conditions of eligibility.**—In order to be eligible to compete at the examination a candidate must satisfy the following conditions, namely:—

(1) *Nationality*—A candidate must be either—

(a) a citizen of India, or

(b) a subject of Sikkim, or

(c) a subject of Nepal, or

(d) a subject of Bhutan, or

Provided that a candidate belonging to categories (c), (d), (e) and (f) shall be a person in whose favour a certificate of eligibility has been granted by the Government:

Provided further that in the case of a candidate belonging to category (f) the certificate of eligibility shall be valid only for a period of one year from the date of his appointment beyond which such a candidate will be retained in service subject to his having acquired Indian citizenship.

Certificate of eligibility will not, however, be necessary in the case of candidates belonging to any one of the following categories:—

(i) Persons who migrated to India from Pakistan before the nineteenth day of July, 1948, and have ordinarily been residing in India since then.

(ii) Persons who migrated to India from Pakistan on or after the nineteenth day of July, 1948, and have got themselves registered as citizens of India under article 8 of the Constitution.

Any such person who re-entered or may re-enter such service with break after the 26th January, 1950, will, however, require certificate of eligibility in the usual way.

A candidate in whose case a certificate of eligibility is necessary may be admitted to the examination and he may also be provisionally appointed subject to the production by him of the necessary certificate granted in his favour by the Government.

(2) *Age.*—A candidate must have attained the age of 21 years and must not have attained the age of 24 years on the first day of August of the year in which the examination is held:

Provided that the upper age limit may be relaxed in respect of such categories of persons as may be notified by the Government from time to time, to the extent notified in respect of each such category.

(3) *Educational qualification.*—A candidate must hold a Bachelor's degree of a recognised University, or qualification recognised by the Government as equivalent to such a degree.

NOTE I.—In exceptional cases the Commission may treat a candidate who does not posses the qualification mentioned in this sub-rule as a qualified candidate provided that he has passed any examination conducted by any institution, the standard of which, in the opinion of the Commission, justifies his admission to the examination defined in clause (b) of rule 2.

NOTE II.—Candidates who have appeared at an examination—the passing of which would render them eligible to appear at the examination conducted under these rules may apply for admission to the said examination. Candidates who intend to appear at such a qualifying examination may also apply provided the qualifying examination is completed before the commencement of the examination conducted under these rules. Such candidates may be admitted to the examination conducted under these rules, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if the candidates do not produce proof of having passed the examination as soon as possible and in any case not later than two months after the commencement of the examination conducted under these rules.

NOTE III.—Candidates who are otherwise qualified but who have taken degrees from Foreign Universities which are not recognized by the Government may also apply to the Commission and may be admitted to the examination at the discretion of the Commission.

11. **Submission of applications through proper channel.**—(1) If a candidate is in the permanent or temporary service of the Government or any State Government, the application for admission to the examination shall be sent through the head of the department or office in which he is serving.

(2) A candidate who is not in the service of the Government or any State Government may apply to the Commission direct.

12. **Decision of the Commission to be final.**—The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final and no candidate to whom a certificate of admission has not been issued by the Commission shall be admitted to the examination.

13. **Penalty for misconduct.**—A candidate who is or has been declared by the Commission guilty of impersonation or of submitting fabricated document or documents which have been tampered with or of making statements which are incorrect or false or of suppressing material information or otherwise resorting to any other irregular or improper means for obtaining admission to the examination, or of using or attempting to use unfair means in the examination hall or of misbehaviour in the examination hall, may, in addition to rendering himself liable to criminal prosecution,

(a) be debarred permanently or for a specified period

(i) by the Commission, from admission to any examination or appearance at any interview held by the Commission for selection of candidates; and

(ii) by the Government from employment under them;

(b) be liable to disciplinary action under the appropriate rules, if he is already in service under the Government or any State Government.

14. **Attempt to influence.**—Any attempt on the part of a candidate to obtain support for his candidature by any means may be held by the Commission to disqualify him for admission to the examination.

15. **Fee.**—(1) A candidate must pay the fee prescribed by the Commission, unless exempted therefrom or granted concession thereof in accordance with the exemptions or concessions in this respect notified by the Government in the Ministry of Home Affairs from time to time.

(2) No claim for a refund of the fee shall be entertained except to the extent notified by the Government in the Ministry of Home Affairs from time to time nor can the fee be held in reserve for any other examination or selection to be conducted by the Commission.

16. **Conduct of examination.**—Every examination under this Part shall be conducted by the Commission in the manner notified by the Government from time to time.

17. **Preparation of list of successful candidates.**—(1) After every examination, candidates will be arranged by the Commission in the order of merit as disclosed by the aggregate marks finally awarded to each candidate; and in that order so many candidates as are found by the Commission in their discretion to be qualified by the examination shall be recommended for appointment upto the number of unreserved vacancies:

Provided that any candidate belonging to the Scheduled Castes or the Scheduled Tribes, who though not qualified by the standard prescribed by the Commission for the service, but declared by them to be suitable for appointment thereto with due regard to the maintenance of efficiency of administration, shall be recommended for appointment to vacancies reserved for members of the Scheduled Castes or Scheduled Tribes, as the case may be, in the Service.

(2) Success in the examination confers no right to appointment to the Service unless Government are satisfied, after such enquiry as may be considered necessary, that the candidate is suitable in all respects for appointment to the service.

18. **Physical test.**—No candidate shall be appointed to the Service who after such medical examination, as the Government may prescribe, is not found to be in good mental or bodily health and free from any mental or physical defect likely to interfere with the discharge of the duties of the Service.

PART IV—*Recruitment by promotion*

19. **Recruitment by promotion.**—(1) Appointments to the posts in the Junior Scale shall be made by selection on merit from amongst eligible Class II officers in the Accounts Department or from the Personnel Branch of the Indian Railways from Headquarters and Divisional Offices ordinarily with not less than three years service in the grade.

(2) Not more than 33-1/3 per cent of the vacancies will be filled by departmental promotion, 29-1/3 per cent being earmarked for officers of the department and the remaining 4 per cent for officers of the Personnel Branch. These percentages are likely to be varied from time to time, if found necessary. If sufficient number of officers are not available to fill the quota of 33-1/3 per cent, the remaining vacancies in the category shall be filled either by transfer/deputation, or by direct recruitment through competitive examination (the particular method to be adopted on each occasion to be decided in consultation with the Commission).

(3) No officer shall have any claim to such promotion as of right.

(4) No officer shall be eligible for promotion to the Service unless the Government is satisfied that he is in every respect suitable for appointment to the Service.

NOTE.—(i) The posts in the Senior Scale and higher grades are filled ordinarily by promotion. However, in exceptional cases these posts may also be filled by transfer or by direct recruitment otherwise than through competitive examination or by occasional recruitment from other sources in consultation with the Commission.

(ii) (a) Appointments to the posts in the Senior Scale shall be made by promotion in the order of seniority, subject to the rejection of the unfit, of officers in the Junior Scale.

(b) Appointments to the Junior Administrative Grade shall be made by selection on merit from amongst officers ordinarily with not less than five years' service in the Senior Scale.

(c) Appointments to the Senior Administrative Grade shall be made by selection on merit from amongst officers ordinarily with not less than five years' service in the Junior Administrative Grade.

PART V—*Recruitment by transfer of an officer in Government Service*

20. *Recruitment by transfer.*—The Government may in special cases and after consulting the Commission, transfer or take on deputation an officer in the service of the Government to a post borne on the cadre of the Service.

PART VI—*Miscellaneous*

21. *Disqualification.*—(a) No person who has more than one wife living and who, having a spouse living, marries in any case in which such marriage is void by reason of its taking place during the life time of such spouse, shall be eligible for appointment to the Service; and

(b) no woman whose marriage is void by reason of the husband having a wife living at the time of such marriage or who has married a person who has a wife living at the time of such marriage shall be eligible for appointment to the Service:

Provided that the Central Government may, if satisfied that there are special grounds for so ordering, exempt any person from the operation of this rule.

22. *Power to relax.*—Where the Central Government is of opinion that it is necessary or expedient so to do, it may, by order, for reasons to be recorded in writing and in consultation with the Commission relax any of the provisions of these rules in respect of any class or any category of persons.

APPENDIX

Brief particulars in regard to the Indian Railway Accounts Service

(a) Probationers will be required to undergo a course of training at the Railway Staff College, Baroda, and to pass the test prescribed by the College authorities. The test in the College is compulsory and a second chance, in the event of failure, will not be given except in exceptional circumstances and provided the record of the officer is such that such a relaxation may be made. They may, however, be put on to a working post on satisfactory completion of two years' training but they may not be confirmed even if otherwise qualified till they have passed the test at the Railway Staff College, Baroda. They will also receive training at the National Academy of Administration, Mussoorie and in the Indian Audit and Accounts Service Training School, Simla.

To be delete

(b) Probationers should already have passed or should pass during the period of probation an examination in Hindi in the Devnagri script of an approved standard. This examination may be the "Praveen" Hindi Examination conducted by the Directorate of Education, Delhi on behalf of the Ministry of Home Affairs or one of the equivalent examinations recognised by the Government.

No probationer may be confirmed or his pay in the time scale raised to Rs. 450/- per month unless he fulfils this requirement; and failure to do so will involve liability to termination of service.

(c) Officers (including probationers) of the Indian Railway Accounts Service recruited under these rules:—

(i) will be governed by the Railway Pension Rules; and

(ii) shall subscribe to the State Railway Provident Fund (non-contributory) under the rules of that Fund as amended from time to time.

(d) If for any reasons not beyond his control, a probationer wishes to withdraw from training or probation, he will be liable to refund the whole cost of his training and any other moneys paid to him during the period of his probation.

(e) If, in the opinion of Government, the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(f) During the probationary period, the appointment of an officer will be liable to termination by three months' notice on his side and three months' notice or three month's pay in lieu thereof on the part of the Government.

(g) At the conclusion of the probationary period and on passing the Departmental and language tests, the probationers will, if they are well reported upon, be eligible for confirmation as Junior Accounts Officers in the Service.

NOTE.—Where no action is taken by the Government under paragraphs (e) and (f) above, the period after the prescribed period of probation shall be treated as an engagement from month to month terminable on either side on the expiration of one calendar month's notice in writing.

(h) Increment from Rs. 400/- to Rs. 450/- will be stopped if the probationers fail to pass the prescribed Departmental test within the two years' probationary period. The probationary period will be extended and on their passing the prescribed Departmental tests and being subsequently confirmed, their pay will, from the date following that on which the last Departmental test ends, be fixed at the stage in the time scale which they would have otherwise attained but no arrears of pay would be allowed to them. In such cases the date of future increments will not be affected.

Advance increments from Rs. 400/- to Rs. 450/-and from Rs. 450/- to Rs. 480/- in the Junior Scale of Rs. 400—950 may, however, be granted during the period of probation as soon as the probationer passes the prescribed tests. After the grant of advance increments, the pay of the officer will be regulated according to his normal position in the pay scale with reference to the year of service.

In case, any of the probationers does not pass the 'end-of-the-course test' at the National Academy of Administration, Mussoorie, his first increment will be postponed by one year from the date on which he would have drawn it or upto the date on which under the departmental regulations, the second increment accrues, whichever is earlier.

NOTE 1.—Probationers will start on the minimum of the Junior Scale and will count their service for increments from the date of joining. They will, however, be required to pass any Departmental test or tests that may be prescribed before their pay can be raised from Rs. 400/- P.M. to Rs. 450/- P.M. in the time scale.

NOTE 2.—In the case of persons already in the service of the Government, their pay on appointment as probationer will be fixed in accordance with the rules and regulations in force from time to time.

(i) Officers (including probationers) will be eligible for leave in accordance with the rules for the time being in force, applicable to officers of the Indian Railways.

(j) Officers will ordinarily be employed throughout their service on the Railway to which they may be posted on first appointment and will have no claim as a matter of right to transfer to some other Railway. But the Government reserve the right to transfer such officers in the exigencies of service to any other Railway or project in or out of India.
