Candidates will have to pay to the Medical Board such fee as may be prescribed by the Government from time to time. The fact that a candidate has been physically examined will not mean or imply that he will be considered for appointment.

PART III—*Recruitment by promotion*

21. **Recruitment by promotion.**—(1) Appointments to the posts in the Junior Scale shall be made by selection on merit from amongst eligible Class II officers (including officiating Class II officers) of the Stores Department of the Indian Railways from Headquarters and Divisional Offices ordinarily with not less than three year service in the grade.

(4) Appointments to the posts in Senior Scale shall be made by promotion in the order of seniority, subject to the rejection of the unfit, of officers ordinarily with not less than four years service in Junior Scale.

(5) Appointments to the Junior Administrative Grade shall ~~ordinarily~~ be made by selection on merit from amongst officers ordinarily with not less than five year's service in Senior Scale.

(7) No officer shall have any claim to promotion to any grade of the service.

(8) No officer shall be eligible for promotion to the Service unless the Government is satisfied that he is suitable for appointment to the Service in all respects.

(9) Notwithstanding anything contained in rule 4, the posts in the Senior Scale, Junior Administrative Grade, and Senior Administrative Grade to be filled by promotion may, in exceptional cases, be filled by direct recruitment otherwise than through competitive examination, or by occasional recruitment from other ~~services~~ sources, in consultation with the Commission.

PART IV—*Miscellaneous*

22. **Disqualifications.**—(1) No male candidate, who has more than one wife living or who having a spouse living, marries in any case in which such marriage is void by reason of its taking place during the life time of such spouse, shall be eligile for appointment to the Service.

(2) No female candidate, whose marriage is void by reason of the husband having a wife living at the time of such marriage or who has married a person who has a wife living at the time of such marriage, shall be eligible for appointment to the Service.

(3) The Government may if it is satisfied that there are special grounds so to do, exempt any candidate from the operation of this rule.

23. **Power to relax.**—Where the Government is of the Opinion that it is necessary or expedient so to do, it may, by order, for reasons to be recorded in writing and in consultation with the Commission, relax any of the provisions of these rules with respect to any class or category of persons or posts.

24. **Interpretation.**—If any question arises relating to the interpretation of the rules, it shall be referred to the Government who shall decide the same.

APPENDIX

[*Vide* rule 3(3)]

Other conditions on service

1. (a) Appointment to the Service will be on probation for a period of three years during which the service of the officers will be liable to termination by 3 months' notice in writing on either side. They will be required to undergo practical training for a period of not less than two years. Those who complete this training successfully and are considered otherwise suitable will be given charge of working posts, provided they have passed the prescribed departmental and other examinations. It must be noted that these examinations should, as a rule, be passed at the first chance and that except under exceptional circumstances a second chance will not be allowed. Failure to pass the examination may result in the termination of services and will, in any case, involve stoppage of increments.

(b) On the completion of one year's service in a working post, the probationary officers will be required to pass a final examination both practical and theoretical, and will, as a rule, be confirmed if they are considered fit for appointment in all respects. In cases, where the probationary period is extended for any reason, the drawal of the first and subsequent increments on their passing the departmental examinations, and on being confirmed will be subject to the rules and ordrs in force from time to time.

(c) If for any reasons not beyond his control, a probationer wishes to withdraw from training or probation, he will be liable to refund the whole cost of his training and any other moneys paid to him during the period of his probation.

NOTE 1.—The period of training and the period of Probation against a working post may be modified at the discretion of Government. If the period of training is extended in any case due to the training not having been completed satisfactorily, the total period of probation will be correspondingly extended.

Note 2.—Probationers will also have to undergo training at the Railway Staff College, Baroda, in two phases. The test in the Staff College is compulsory and a second chance, in the event of failure, will not be given except in exceptional circumstances and provided the record of the officer is such that such relaxation may be made. Failure to pass the test may involve the termination of services and in any case, the officers will not be confirmed till they pass the test, their period of training and/or probation being extended, if necessary.

NOTE 3.—If, in the opinion of Government the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

NOTE 4.—On the conclusion of his period of probation Government may confirm the officer in his appointment, or, if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the service or may extend his period of probation for such further period as Government may think fit.

NOTE 5.—If the power to make appointment in the Service is delegated by Government to any officer, that officer may exercise any of the powers of Government under this paragraph.

2. (a) Probationers will not be permitted to apply for appointment elsewhere or appear for examination or selection for recruitment to other services.

(b) In cases where probationers have already appeared at the Combined Competitive Examinations prior to their allotment to the Railway Service and qualify for appointment to services other than Railway Services, the question of their release from Railway Service will be considered only when they are prepared to refund in cash the cost of the training and other moneys paid to them during the period of their probation before they are actually relieved.

3. Probationers should have already passed or should pass during the period of probation an examination in Hindi in the Devnagari script of an approved standard. This examination may be the "Praveen" Hindi Examination which is conducted by the Directorate of Education, Delhi Administration, Examination Branch or one of the equivalent examinations recognised by the Government.

No probationary officer can be confirmed or his pay in the time scale raised to Rs. 450 per month unless he fulfils this requirement; and failure to do so will involve liability to termination of service. No exemption can be granted.

4. Officers of the Indian Railway Stores Service recruited under these regulations—

(i) will be eligible to pensionary benefits;

(ii) shall subscribe to the State Railway (Non-Contributory) Provident Fund under the rules of that Fund as applicable to Railway servants appointed on the date they join service.

5. Pay will commence from the date of joining service as a probationer. Service for increments will also count from the same date. Particulars as to pay are contained in sub-rule (2) of rule 3 of the main rules.

6. Officers recruited under these rules shall be eligible for leave in accordance with the leave rules for the time being in force applicable to officers of the Indian Railways.

7. Officers will ordinarily be employed throughout their service on the Railway to which they may be posted on first appointment and will have no claim as a matter of right to transfer to some other railway, but the Government reserve the right to transfer such officers, in the exigencies of service, to any other Railway, production unit or project in or out of India.

8. Any person appointed to the Indian Railway Stores Service on the results of the competitive examination held in 1964 or thereafter shall, if so required,

be liable to serve in any Defence service or post connected with the Defence of India, for a period of not less than four years including the period spent on training if any:

Provided that such person—

(a) shall not be required to serve as aforesaid after the expiry of ten years from the date of his appointment;

(b) shall not ordinarily be required to serve as aforesaid after attaining the age of forty years.

9. The relative seniority of officers recruited under clause (a) of rule 4 will ordinarily be determined by the order of merit in the competitive examination. The Government of India, however, reserve the right of fixing seniority at their discretion in individual cases. They also reserve the right of assigning to officers appointed under clauses (b), (c) and (d) of rule 4 positions in the seniority list at their discretion.

NOTE.—If the period of training and consequently the period of probation is extended in any particular case due to the training not having been completed satisfactorily, the officer concerned is liable to lose in seniority.

10. Probationary officers will start on the minimum of the Junior Scale and will count their service for increments from the date of joining. They will, however, be required to pass any departmental examination or examinations that may be prescribed before their pay can be raised from Rs. 400 p.m. to Rs. 450 p.m. in the time scale.

Increment from Rs. 400 to Rs. 450 will be stopped if they fail to pass the Departmental examination within the first two years of the training and probationary period. In cases where the training period has to be extended for failure to pass all the Departmental examination within the stipulated period on their passing the departmental examinations after expiry of the extended period of training, their pay from the date following that on which the last examination ends, will be fixed at the stage in the time scale which they would have otherwise attained, but no arrears of pay would be allowed to them. In such cases, the date of future increments will not be affected.

Advance increments from Rs. 400 to Rs. 450 and from Rs. 450 to Rs. 480 in the Junior Scale of Rs. 400—950, may, however, be granted during the period of probation as soon as the probationary officer passes the prescribed examinations. After the grant of the advance increments, the pay of the officer will be regulated according to his position in the time scale.

NOTE.—In the case of persons already in Government service their pay on appointment as probationer will be fixed in accordance with the rules and regulations in force from time to time.

11. Increments will be given subject to the provisions of paragraph 10 for approved service only, and in accordance with the rules of the Department.

12. Promotions to the Administrative grades are dependent on the occurrence of vacancies in the sanctioned establishment and are made wholly by selection; mere seniority does not confer any claim for such promotion.

13. In all matters not specifically provided for herein, the Probationary officers will be governed by the provisions of the Indian Railway Codes as amended from time to time and other orders in force issued by competent authorities from time to time.
