Probationary Officers will be required to undergo practical training for the first two years. Those who complete this training successfully and are otherwise considered suitable will be placed in charge of a working post, provided they have passed the prescribed departmental and other examinations. It must be noted that these examinations should, as a rule, be passed at the first chance and that save under exceptional circumstances, a second chance will not be allowed. Failure to pass any of the examinations may result in the termination of the service and will in any case involve stoppage of increments.

At the end of one year in a working post, the probationary officers will be required to pass a final examination, both practical and thoretical, and will, as a rule, be confirmed if they are considered fit for appointment in all respects. In cases where the probationary period is extended for any reason, the drawal of the first and subsequent increments on their passing the departmental examinations, and on being confirmed, will be subject to the rules and orders in force from time to time.

If for any reasons not beyond his control, a probationer wishes to withdraw from training or probation, he will be liable to refund the whole cost of his training and any other moneys paid to him during the period of his probation.

NOTE (i) - The period of training and the period of probation against a working post may be modified at the discretion of Government. If the period of training is extended in any case due to the training not having been completed satisfactorily, the total period of probation will be correspondingly extended.

NOTE (ii) - On Railways where there are specialised Tele-Communications posts, an additional training for a period of six months in Tele-Communications may be arranged in any particular case; in such cases, the period of probation in a working post referred to above will be reduced by six months.

NOTE (iii) Probationers will also have to undergo training at the Railway Staff College, Baroda, in two phases. The test in the Staff College is compulsory and a second chance in the event of failure, will not be given except in exceptional circumstances and provided the the record of the Officer is such that such a relaxation may be made. Failure to pass the test may involve the termination of service and in any case the officers will not be confirmed till they pass the tests, their period of training and/or probation being extended as necessary.

2. (a) Probationers will not be permitted to apply for appointment elsewhere or appear for examination or selection for recruitment to other services.

../12

(b) In cases where Probationers have already appeared at the Combined Competitive Examinations prior to their allotment to the Railway Service and qualify for appointment to services other than Railway Services, the question of their release from Railway Service will be considered only when they are prepared to refund in cash the cost of the training and other moneys paid to them during the period of their probation before they are actually relieved.

3. (i) Probationers recruited by the methods of recruitment referred to in clauses (a) and (d) of rule 4 should have already passed or should pass during the period of probation an examination in Hindi in the Devnagari script of an approved standard. This examination may be the "Praveen" Hindi Examination which is conducted by the Directorate of Education, Delhi Administration, Examination Branch, or one of the equivalent examinations recognised by the Government.

(ii) Temporary Officers appointed to the Service by the method of recruitment referred to in clause (b) of rule 4 should have already passed or should pass within a period of three years from the date of their absorption in Class I Service, an examination in Hindi of the standard mentioned in sub-paragraph (i). In the case of temporary officers in respect of whom the period of three years has already elapsed on the date of coming into force of the Indian Railway Servide of Signal Engineers Recruitment (Amendment) Rules, 1971 and have not passed the said examination in Hindi, they should do so within a period of one year from the said date.

If any temporary officer fails to fulfil the above requirement, his increment falling due after the expiry of the period of three years or one year, as the case may be, is liable to be withheld till he passes the said examination in Hindi.

../13

The Government of India, however, reserve the right of fixing seniority at their discretion in individual cases. They also reserve the right of assigning to officers appointed under rules 4(b) and (c) and 5 positions in the seniority list at their discretion.

NOTE(ii) - Increment from Rs.400 to Rs.450 will be stopped if they fail to pass the Departmental examination within the first two years of the training and probationary period. In cases where the training period has to be extended for failing to pass all the Departmental Examinations within the stipulated period, on their passing the departmental examinations after expiry of the extended period of training their pay from the date following that on which the last examination ends, will be fixed at the stage in the time scale which they would have otherwise attained but no arrears of pay would be allowed to them. In such cases the date of future increments will not be affected.

Advance increments from Rs.400 to Rs.450 and from Rs.450 to Rs.480 in the Junior Scale Rs.400-950 may, however, be granted during the period of probation as soon as the probationary officer passes the prescribed examinations.
