NEW RAILWAYS
NEW JAMMU

(2014 - May '21)

सत्यमेव जयते

PREFACE

Ashutosh Gangal
General Manager
Northern Railway

Indian Railways is the lifeline of the nation and catalyst for India's progress and economic development. Railway has been providing comfortable, convenient and easy on the pocket transportation system to its patrons. Major infrastructure projects in Railways has focus on safety, enhancing speed and connecting far flung areas. New tracks are being laid. Line doubling and electrification works are in full swing. Latest technologies, digitalization and in house innovations are being used to bring more efficiency and better results. Emphasis is also on creating better business opportunities through long haul and piecemeal trains.

The officers and staff of the Railways are dedicated, ready to adapt to changing scenario of the transport sector, this booklet is aimed towards listing some of the important activities involving in the recent past as well as current projects in Jammu. The budgets allocated to various projects are not apportioned State wise but reflect the cost of the project.
