PREFACE

Gajanan Mallya
General Manager
South Western Railway

Indian Railways is the growth engine of the nation and a catalyst for India's progress and economic development. South Western Railway (SWR) plays a significant role in the socio-economic development of Karnataka State. Railways have achieved many visible milestones in Karnataka in the recent years. 331 km of new lines and 913 km of doubling have been completed in last 7 years. 144 new Mail- Express and Passenger trains have been introduced. Apart from this, many trains have been extended and the frequency increased. The Railway personnel are vibrant and dedicated, ready to adapt to changing scenario of the transport sector to fulfil the requirements and expectations of people of Karnataka. During the time of Covid19 pandemic, Railway personnel have contributed in various capacities to the society. This brochure is aimed at listing out some of the important accomplishments in recent past and current projects in **Kolar** Lok Sabha Constituency in Karnataka State.
